(students are discouraged from physically coming to lecture rooms).</p> <p>Physically attending lectures will start from 2020.04.06 <i>[Date may change depending on the Coronavirus 19 situation]</i>.</p>
Online Lectures Registration Method	<p>Webex: Click on the links shared by each of the professors on SNS / Email / Cybercampus.</p> <p>PLEASE NOTE:</p> <ul style="list-style-type: none"> - The TF Team has technically reviewed and decided to operate online lectures as an alternative, as the worldwide spread of Corona19 is expected to cause server congestion. - Monday and Tuesday lectures especially have a lot of students and so the server can have connection issues. We therefore advise students NOT to use Cybercampus and Coursemos Apps. - Reproducing lectures, link addresses, class material and other lecture-related material is prohibited, as it constitutes copyright infringement, among other illegalities.
Additional Information	<p>After clicking on link addresses shared by the individual professors, install the Webex program to access the lectures.</p> <p>Class attendance will be checked during the Webex online live streams</p> <p>Please prepare phones / tablets / laptops / PC with camera and microphone for online lectures and make sure to have a stable internet connection for smooth lecture sessions.</p>
